MISSION AND GOALS PROGRESS REPORT

The Public Housing Authority is meeting its goals for expanding the supply of assisted housing by applying for additional vouchers and receiving eleven (11) additional Housing Choice Vouchers.

The plans for increasing elderly and disabled housing by converting 4 bedroom units to 1 and 2 bedroom units is still proposed. As stated, the conversion will be pursued with capital funds once improvement to existing public housing units are complete.

The Housing Authority interacts with residents to stay abreast of their needs and concerns. The modernization of units in 13-2 is currently underway.

The Public Housing Authority increased voucher payment standards to 98100% of Fair Market Rent.

The Public Housing Authority has contracted with Goodwin and Associates to implement a plan for designation of buildings for particular residents groups (elderly, etc.).

The Public Housing is working with residents to increase the number of employed persons in assisted families.

Most goals are accomplished and there has been no deviation in our annual plan; however, some residents have brought up the fact they may rather have additional storage space with washer and dryer hook up and security screens and doors housing authority wide instead of central heat and air. We will look into this and poll residents for their input before making a decision on this item of the Capitol Funding.

It is the Housing Authority's policy to provide great latitude in approving community service organizations and activities.

DETERMINING RESIDENT STATUS

Per the Housing Authority's approved Admission and Continued Occupancy Policy (ACOP):

- The status of all applicant family members will be determined and families notified during the application process.
- During annual (or every three years for residents paying flat rents) recertifications, the status of each family member will be reviewed and determined.
- Between recertifications, residents are required to notify the Housing Authority within ten (10) days when there is a change in employment, income, family composition or welfare-to-work training or employment activities. - The family enters into an agreement with the Authority that the noncompliant family member will cure such noncompliance within the twelve (12) month term of the new lease while also satisfying the on-going service requirement.

The Authority will file the returned cards in each covered resident's file.
